

OPEA is now partnering with American Senior Benefits to offer a new

Long Term Care Insurance Program

- Long Term Care affects people of all ages. **Forty Percent** of those receiving long term care are working age adults, ages 18-64.¹
- Long Term Care insurance helps **protect your standard of living** and preserve your plans for retirement.
- Long Term Care insurance helps **protect your family's** lifestyle, income, and emotional well being.
- Available to all employees and their families – including parents.
- Available on a payroll deduction basis.
